**ANNUAL CONFERENCE OF
INDIAN COLLEGE OF CARDIOLOGY**
BENGALURU, INDIA

Date: 29th, 30th September &
1st October 2023 - Hotel ITC Gardenia

PRESIDENT'S MESSAGE

Indian college of Cardiology was established in the year 1994. Over the last few decades, the society has grown into a prominent national body committed to disseminating knowledge amongst the cardiology fraternity in the country. Thanks to our group's founder members and stalwarts, this has been recognised internationally by the various cardiology societies, who are now partnering with our college.

The annual conference of the Indian college attracts all the eminent teachers and academicians of the country and abroad and covers the latest advances in the field. The postgraduate teaching programme has always been a major attraction. This year we will have an attractive academic feast designed by our vibrant and dynamic scientific committee chairman and team. I take this opportunity to welcome all of you to the scientific extravaganza at Bangalore on the 29th, 30th Sept and 1st of Oct, 2023.

Dr. P. B. Jayagopal MD, DM, DNB, FACC, FICC, FCSI, FESC, FSCAI, FRCP(E)
President, Indian College of Cardiology (ICC)
Director and Senior Interventional Cardiologist
Lakshmi Hospital
Chittur Road, Palakkad 678013. Kerala.

INVITATION

FROM THE DESK OF CHAIRMAN SCIENTIFIC
COMMITTEE & PRESIDENT ELECT
ICCCON 2023, BENGALURU

Dear Friends,

It gives me great pleasure to extend a warm invitation to the 30th Annual Conference of Indian College of Cardiology from 29th, 30th September & 1st October 2023, at Hotel ITC Gardenia, Bengaluru, India.

The conference will bring together Cardiologists from across the globe who will exchange their valuable views, the newer emerging methods of evaluation and treatment in the field of Cardiovascular Sciences with an ultimate objective of achieving quality cardiac care and better outcomes.

We are inviting National and International guest faculties for the conference. This will be an excellent opportunity for you to associate with opinion makers and prominent cardiologists of the country. The Scientific program consists of Live Case Demonstration, Guest lectures, panel discussions, debates, update on newer clinical trials and free paper presentations. Interesting Angios, PCI, Structural Heart interventions and imaging will be discussed. You are most welcome for any suggestion on topics to be discussed during the conference. The Organizing committee of the conference is leaving no stones unturned to organize the conference in the best possible way.

On behalf of the ICCCON 2023 conference, we request you to participate and make the conference a great success.

I wish you all a wonderful conference at Bengaluru.

Dr. B. C. Srinivas, MD, DM, FACC, FICC, FESC
Chairman Scientific Committee & President Elect
30th Annual Conference of ICCCON 2023
Professor of Cardiology

CONFERENCE CHIEF PATRON

WELCOME TO ICCCON - 2023

Dear Colleagues,

It gives me great pleasure to extend a warm invitation to the 30th Annual Conference of Indian College of Cardiology from 29th, 30th September & 1st October 2023, at Hotel ITC Gardenia, Bengaluru, India.

In this era of explosion of technology and fast changing practice patterns, this Conference will bring together scientists and specialists from India and abroad who will exchange their valuable views in the context of evidence based cardiovascular medicine and also provide a great opportunity to understand each other's culture, social behavior and to make long lasting professional friendship. This will go a long way in building a stronger and healthier cardiology scenario in India. The ground realities of cardiovascular practice and the cost effective management without diluting the quality of care is the need of the hour in our country with strained resources. Apart from plenary sessions on hot topics, there will be PG track training program also; the Specialist Clinicians will form the best cluster for thoughtful discussion at this meet.

We are inviting National and International guest faculties for the conference. This will be an excellent opportunity for you to associate with opinion makers and prominent cardiologists of the country. We expect this conference will definitely help you to better individual skills and to improve outcome of various cardiac procedures. Weather will be pleasant in the month of September/October and attending this cardiology congress will be useful and enjoyable.

“Great Learning comes from Experience; Experience comes through mistakes and bad decisions”. Decision Making is more important than actually performing the procedure and surgical skills. Although there is explosion of technology, understanding interpretation and clinical applications is of utmost importance, ***We should never stop learning because both profession and life never stop teaching.***

The organizing Committee of the conference is leaving no stones unturned to organize the conference in the best way possible. The Committee is striving hard to make the conference memorable, your stay comfortable with unique social events. Under their leadership of **Dr. B.C. Srinivas, Chairman Scientific committee Dr. T.R. Raghu, Chairman Organizing committee, Dr. L. Sridhar, Organizing Secretary and Team,** will have an impeccable conference. I wish you all a wonderful and memorable experience in Bengaluru. **Wishing the conference all the success.**

Dr. C.N. Manjunath., MD, DM, FACC, FICC, FRCP.
